R50 LED Reflector Bulb

www.homewatt.co.uk

Description	Retrofit R50 LED reflector with aluminium case. Instant on to full brightness.
Application	Replace low energy compact fluorescent or high energy incandescent R50 reflector bulbs in domestic and office environments.

Brand	homewatt™
Diameter Ø	50mm
Length	85mm
Power	3.5W ±10%
Light output lumens	≥200lm
Luminous efficacy	~57lm/W
Voltage	220V~240V AC
Colour temperature	Warm white 2700K-3000K
Case material	Cold forged aluminium
Heat conductivity of case	>220W/mK
Lens material	Poly(methyl methacrylate) with >92% transmittance
Rated life	35,000hrs
IP protection	Indoor
Dimmable	NO – can not be used in lighting circuit with dimmer switches
Warranty	2 years RTB replacement
Conformance	CE, RoHS
